

**Education and Practice
in the Context of Modern Science**
International Scientific Conference

CONFERENCE PROGRAM

July 16, 2025

**Education and Practice
in the Context of Modern Science**
Delhi, India, July 16, 2025

Conference Organizer	Infinity Publishing
Place of the conference	Scope Convention Centre Delhi, India
Date of the conference	July 16, 2025
Conference language	English
Regulations of speeches	Section reports - up to 10 pages

ORGANISING COMMITTEE

Chairman: Khismatullin Damir Ravilevich, Ph.D., Associate Professor, CEO of Infinity Publishing

Scientific secretary of the conference: Albina Amanova, Ph.D., Associate Professor

Members of the Organizing Committee:

Dr. Bontha V. Babu - Scientist F, ICMR, New Delhi, India

Dr. Roopa Suresh - Professor, Central University -Hyderabad- India

Dr. Deepak Sharma - Professor, Indira Gandhi Krishi Vishwavidyalaya, Raipur, Chhattisgarh, India

Avdeyuk Oksana Alekseevna, Ph.D., Moscow, Russia

Zhelnova Kristina Vladimirovna, Ph.D., Moscow, Russia

Kaldybai Kaynar Kaldibayuly, PhD (Philosophy), Ufa, Russia

Lidney S.D., University of Birmingham

Mazuar A.G., University of Birmingham

Participants' reports

1. The structure of the report should correspond to the generally accepted for scientific works and contain: an introduction; the main part; conclusion.
2. In the introduction, the relevance of the topic, the goals and objectives of the study is substantiated, the object and subject of the research are formulated, the method of research is specified, the characteristics of the work are given - whether it refers to theoretical or applied research, what is the significance and (or) applied value of the results obtained, provides a brief overview of the information available on this topic.
3. In the main part, the methodology and technique of the study, information on the scope of the study, the results are summarized and summarized.
4. The conclusion contains the main conclusions to which the author came in the process of analyzing the results obtained, the novelty, degree of independence, theoretical and (or) practical significance of the work is substantiated.

Participants' reports

ECONOMIC SCIENCES

Global science and education of the future: hunting for trends or headhunting?

Kharlanov Alexey Sergeevitch

Three targets of the hybrid war against Russia

Kazantsev Sergey Vladimirovich

JURIDICAL SCIENCES

On the issue of unification of legislation of the EAEU countries and integration in the field of education

Zhilko Irina Anatolyevna, Rudich Valery Vladimirovich

Challenges and opportunities for Uzbekistan in legal regulation of digital business management

Sarabekov Azamjon Abdukadirovich

Humanitarian and legal foreign policy of Turkmenistan as a neutral state

Chariyev Toily Saparveliyevich

Epistemological risk of integrating artificial intelligence into legal education

Laputko Kseniya

POLITICAL SCIENCES

On the issue of centers of power in a multipolar world

Toropygin Andrey Vladimirovich, Kiseleva Anastasia Andreevna

PHILOLOGICAL SCIENCES

The feminine and masculine archetype of the rebel in Somerset Maugham's short fiction: a comparative analysis

Albegov Tamerlan Alanovich

The novel "The Picture of Dorian Gray" in the context of Oscar Wilde's moral philosophy

Plastinin Pavel Dmitrievich

The concept of good and evil in Mansi fairy tales: traditional ideas and archetypes

Albina Oksana Robertovna

PEDAGOGICAL SCIENCES

Inclusive education policy and practice in china and russia: theory, development and ways to optimize

Popkova Tatyana Dmitrievna, Meng Jintian, Liu Meixuan, Ban Jiayue

Family and profession as value orientations of youth education

Chernyakova Natalia Stepanovna

Innovative approaches to enhancing mathematical competence and teaching higher mathematics

Saidzoda Isroil Mahmad, Zokirov Amonatullo Ramazonovich

Development of a pedagogical concept for the formation of competitiveness of university graduates in the context of the transformation of the modern labor market

Konoplyansky Dmitry Alekseevich

The hermeneutic approach in foreign language teacher training: forming of the value position

Gritskova Nataliia Viktorovna

Enhancing student participation in EMI courses: challenges and strategies

Rybakova Anna Sergeevna, Smirnov Alexander Andreevich

SOCIOLOGICAL SCIENCES

The symbiosis of power and sport: a deeper look at totalitarian regimes and women's gymnastics

Yaremenko Nikolay Nikolaevich

PSYCHOLOGICAL SCIENCES

The main sources of child and adolescent mental trauma

Smarysheva V.A., Efanova K.Yu.

The influence of gadgets on the mental and physical state of medical students

Semennikova Nina Vladimirovna, Shoykhet Olga Vladimirovna

EARTH SCIENCES

Formation of the geophysical segment in the activities of the international scientific and education center in the Arctic

Gordienko Aleksey Nikolaevich

BIOLOGICAL SCIENCES

Microbiota of the Neva River basin

Kletsko Lyudmila Ivanovna, Sboichakov Viktor Borisovich

Effect of microorganisms on symbiotic activity of soybeans

Zubareva Kristina Yurievna, Zotikov Vladimir Ivanovich, Semenov Alexey Sergeevich, Maltsev Andrey Yuryevich

The use of microorganisms in the production of fermented milk products

Sboychakov Dmitry Viktorovich, Reshetnikova Olga Vasilyevna, Sboichakov Viktor Borisovich

MEDICAL SCIENCES

The influence of artificial ventilation on the correlations of laboratory biochemical parameters and hemodynamic parameters in acute cerebral insufficiency at the age of 3.1-7 years

Muhitdinova Hura Nuritdinovna, Rahimova Suraye Rusmetovna, Myrzayeva Adiba Damirovna

Formation of hygienic skills in school-age children in terms of prevention of contagious skin diseases

Efanova Elena Nikolaevna

Sports injuries of figure skaters

Karavanova Julia Artemovna, Faizova Diana Eduardovna, Gilmutdinova Lyra Talgatovna, Faizova Elvira Railevna

Medical rehabilitation in India

Ramegowda Juwatedj Doddighatta, Faizova Diana Eduardovna, Gilmutdinova Lyra Talgatovna, Faizova Elvira Railevna

Monitoring and correction of systemic hemodynamics indicators in solving strategic public health problems

Seliverstov Konstantin Olegovich, Yakushin Mikhail Alexandrovich, Kudrin Alexey Pavlovich

Result of laser thermotherapy in the treatment of spinal tumor

Turanov Semen Alexandrovich, Ivanenko Andrei Valentinovich, Kudziev Andrey Valerievich

The role of nutritional support and micronutrients in restoring the reproductive health of women who have suffered COVID-19

Rizaeva Malikakhon Abdumanonovna, Kattakhodjaeva Makhmuda Khamdamovna, Rizaev Jasur Alimdjanovich

CHEMICAL SCIENCES

The influence of plasticizer on the components of concrete matrix

Kurbanbaeva A.E., Latha M.S., Jumaboev R.A.

Molecular interaction of antioxidant naringenin with 3LFN and 1P5F: a docking study

Mikita Statsi, Siyamak Shahab

TECHNICAL SCIENCES

The effect of temperature on the smoothness of vertical uplifts around joints in cement-concrete paved roads

Amirov Tursoat Jummaevich, Dauletov Madiyar Boranbaevich

Proposals for the interpretation of the concepts of "morality" and "politeness" in the field of artificial intelligence

Tikhanychev Oleg Vasilyevich

Building a linear regression model and forecasting using a neural network

Klimau Yury Valerevich

The coordinated work of an autonomous system in monitoring mobile objects over a large area is building drones

Ulanov Sergey Ivanovich, Ivanova Svetlana Borisovna, Nikitina Angela Anatolyevna, Butov Oleg Anatolyevich

PHYSICAL AND MATHEMATICAL SCIENCES

Calculation of a non-stationary temperature field in a polar-orthotropic annular plate of a power-law profile with thermally insulated bases using the Duhamel method

Karalevich Uladzimir Vasil'evich
